

Fill in the gaps

Through The Fire And The Flames by DragonForce

On a cold winter morning, in the time before the light
In flames of death's eternal reign we ride towards the fight
And the darkness is falling down
And the times are tough all right
The sound of evil (1)_____ falls around the
world tonight
Fighting high, fighting on for the steel
Through the (2)_____ evermore
The (3)_____ souls will feel the hell bodies
Wasted on the shores
On the blackest (4)_____ in hells domain
We watch them as they go
Through fire, (5)_____ and once again we know
So now we fly ever free
We're (6)_____ before the thunderstorm
On (7)_____ the (8)_____
our quest carries on
Far beyond the sundown, far beyond the moonlight
Deep inside our hearts and all our souls
So far (9)_____ we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime (10)_____ in a thousand
days
Through the fire and the flames we carry on
As the red day is dawning
And the lightning (11)_____ the sky
They raise their hands to the heavens above
As we send them to their lies

Running back (12)_____ the mid-morning light
There's a burning in my heart
We're banished from the time in the fallen land
To a light beyond the stars
In the (13)_____ dreams we do believe
Our destiny this time
And endlessly we'll all be free tonight
And on the wings of a (14)_____ so far beyond reality
All alone in desperation now the time is gone
Lost inside you'll (15)_____ find Lost
(16)_____ my own mind
Day (17)_____ day this misery must go on
So far away we wait for the day
For the light source so wasted and gone
We feel the (18)_____ of a lifetime lost in a
(19)_____ days
Through the (20)_____ and the flames we carry on
Now here we stand with their blood on our hands
We fought so hard now can we understand
I'll break the seal of this curse if I possibly can
For (21)_____ of (22)_____ man
So far away we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the (23)_____ and the flames we carry on

Fill in the gaps

Answer

1. laughter
