Speed Of Sound by Coldplay

How long before I get in?

Before it starts, before I begin

How (1)_____ before you decide?

Before I know what it feels like

Where to? Where do I go?

If you've never tried then you'll never know

How long do I have to climb

Up on the side of this (2)_____ of mine?

Look up, I look up at night

Planets are moving at the speed of light

Climb up, up in the trees

Every chance that you get

Is a (3)_____ you seize

How long am I gonna stand

With my head stuck under the sand?

I'll stop before I can stop

Or before I see things the right way up

All that noise and all (4)_____ sound

All those (5)_____ I got found

And birds go flying at the (6)_____ of sound

To show you how it all began

Birds came flying from the underground

If you could see it then you'd understand

Ideas that you'll never find

Or the inventors could never design

The buildings that you put up

Or Japan and China, all lit up

The sign that I couldn't read

Or a light (7)_____ I couldn't see

Some things you have to believe

But others are puzzles, puzzling me

All that noise and all that sound

All those (8)_____ I got found

And birds go flying at the speed of sound

To show you how it all began

Birds came flying (9)_____ the underground

If you could see it then you'd understand

(Oh) when you see it then you'll understand

All those signs I (10)_____ what they meant

Some things you can't invent

Some get made and some get sent

...

Birds go flying at the speed of sound

To show you how it all began

Birds came flying from the underground

If you could see it then you'd understand

(Oh) when you see it then you'll understand

Fill in the gaps
