the day

He's (14) tired that'll do for now	
They are preparing for the very worst to come to them	
Getting ready (15) the wild (16) blows	
He sees the picture on the (17) it's falling down	
Upside down	
He sees a teardrop from his wife roll (18) her face	
Saying grace	
Remember time they had	
They flash right through his mind	
Left behind	
Of a lifetime spent together long ago	
Will be gone	
They've been preparing for some weeks now	
For (19) the crucial moment comes	
To (20) their (21) in the shelter	
Let them prepare for what will come	
They make a tea and sit there waiting	
They're in the shelter feeling snug	
Not long to wait for absolution	
Don't make a fuss just sit and wait	
Can't believe all the lying	
All the screens are denying	
That the moments of truth have begun	
Can't you see it on the T.V.	
Don't believe them in the least bit	
Now the days of our ending have begun	
Say a (22) when it's all over	
Survivors unite all as one	
Got to try and help (23) other	
Got the will to overcome	
I can't believe all the lying	
All the screens are denying	
That the moments of truth have begun	
Can't you see it on the T.V.	
Don't believe them in the least bit	
Now the days of our ending have begun	
When they found them	
Had (24) arms (25)	
(26) each other	
Their tins of poison laying nearby their clothes	
The day they both mistook an earthquake	
For the fall out	
Just another when the wild wind blows
