Same Love by Macklemore & Ryan Lewis

When I was in the third grade

I thought that I was gay

'Cause I could draw, my uncle was

And I kept my room straight

I told my mom

Tears rushing down my face

She's like, Ben you've loved (1)_____ since before pre-K

Tripping

Yeah, I guess she had a point, didn't she

A bunch of stereotypes all in my head

I remember doing the math like, yeah

I'm (2)_____ at little league

A pre-conceived idea of (3)_____ it all meant

For those that like the same sex

Had the characteristics

The right-wing conservatives

Think it's a decision

And you can be cured

With some (4)_____ and religion

Man-made, rewiring of a pre-disposition

Playing God

Oh no, here we go

America the brave

Still fears what we don't know

And God (5)_____ all his children

It's somehow forgotten

But we paraphrase a book written

Thirty five hundred years ago

I don't know

And I can't change

...

Even if I tried

Even if I wanted to

And I can't change

Even if I tried

Even if I wanted to

My love, my love, my love

She keeps me warm

She keeps me warm

She (6)_____ me warm

She keeps me warm

If I was gay

I would think hip-hop hates me

Have you read the YouTube (7)_____ lately

Man that's gay

Gets dropped on the daily

We've (8)_____ so (9)_____ to (10)_____ we're saying

Our culture founded from oppression

Yet we don't have acceptance for them

Call each other faggots

Behind the keys of a message board

A (11)_____ (12)_____ in hate

Yet our genre still (13)_____ it

Gay is synonymous with the lesser

It's the same hate that's caused wars from religion

Gender to skin color

A complexion of your pigment

The same fight that led people to walk-outs and sit-ins

There's human rights for everybody

There is no difference

Live on

And be yourself

When I was in church they taught me something else

If you preach hate at the service

Those words aren't anointed

And that Holy Water

That you soak in is then poisoned

When everyone else is more comfortable

Remaining voiceless rather (14)_____ fighting for humans

That have had (15)_____ rights stolen

I (16)_____ not be the same

But that's not important

No freedom till we're equal

Damn right I support it

I don't know

And I can't change

Even if I tried

Even if I wanted to

My love, my love, my love

She keeps me warm

She keeps me warm

She keeps me warm

She (17)_____ me warm

We press play

Don't press pause

Progress, march on

With a veil over our eyes

We turn our back on the cause

Till the day that my uncles can be (18)_____ by law

Kids are walking around the hallway

Plagued by pain in their heart

A world so hateful

Some would rather die than be who they are

And a certificate on paper

Isn't (19)_____ (20)_____ it all

But it's a (21)_____ good (22)_____ to start

No law's gonna change us

We have to change us

Whatever god you believe in

We come from the same one

Strip away the fear

Underneath it's all the same love

About time that we raised up

And I can't change

Even if I tried

Even if I wanted to

And I can't change

Even if I tried

Even if I wanted to

My love, my love, my love

She (23)_____ me warm

She keeps me warm

She keeps me warm

She keeps me warm

Love is patient, love is kind

Love is patient, love is kind

Love is patient (not (24)_____ on Sundays)

Love is kind (not (25)_____ on Sundays)

Love is patient (not crying on Sundays)

Love is kind (not (26)_____ on Sundays)

Love is patient (not crying on Sundays)

Love is kind (not (27)_____ on Sundays)

Love is patient (not (28)_____ on Sundays)

Love is kind (not crying on Sundays)
