

## Fill in the gaps

| Can you hear the drums Fernando?                              |
|---|
| I remember long ago another starry (1) like this              |
| In the firelight Fernando                                     |
| You were humming to yourself and softly                       |
| (2) your guitar   |
| I (3) hear the distant drums                                  |
| And sounds of bugle calls were coming from afar               |
| They were closer now Fernando                                 |
| Every hour (4) minute (5) to last                             |
| eternally   |
| I was so afraid Fernando                                      |
| We were young and full of life and none of us prepared to die |
| And I'm not ashamed to say                                    |
| The roar of guns and cannons almost made me cry               |
| There was something in the air that night, the (6)            |
| were bright, Fernando   |
| They were shining there for you and me for liberty, Fernando  |
| Though we never thought that we could lose, there's no regret |
| If I had to do the $(7)$ again, I $(8)$ my                    |
| friend, Fernando  |
| If I had to do the same again, I would my friend, Fernando    |
| Now we're old and gray Fernando                               |
| Since many years I haven't seen a rifle in your hand          |
| Can you hear the drums Fernando?                              |
| Do you still recall the faithful night we crossed the Rio     |
| Grande?   |
|   |

| I can see it in your eyes                                      |
|--|
| How proud you were to fight for freedom in this land           |
| There was (9) in the air that night, the                       |
| stars were bright, Fernando                                    |
| They were shining there for you and me for liberty, Fernando   |
| Though we never thought that we could lose, there's no regret  |
| If I had to do the same again, I would my friend, Fernando     |
| There was something in the air that night, the stars were      |
| bright, Fernando   |
| They were shining there for you and me for liberty, Fernando   |
| Though we never thought that we (10) lose                      |
| there's no regret  |
| If I had to do the same again, I would my friend, Fernando     |
| Yes if I had to do the same again, I would my friend, Fernando |
| If I had to do the same again, I would my friend, Fernando     |
