

Fill in the gaps

At The Bottom Of Everything by Bright Eyes

So there was this woman
And she was on an airplane
And she was flying to (1)_____ her fiancé
Seeming high above the...
The largest ocean on planet Earth
And she was sitting next to this man
Who.. you know she had tried
To (2)_____ conversations
And the only thing she had really heard him say
Was to order his bloody Mary
And she's sitting there
And she's reading (3)_____ really arduous magazine
article
About a (4)_____ World country that she can't
Even pronounce the name of and
She is feeling
Very bored, and very despondent
And then... (um..) suddenly
There was this (5)_____ mechanical failure
And one of the engines gave out
And they started, just, falling
Thirty-thousand feet
The pilot is on the microphone and he...
He's saying "I'm sorry, I'm sorry, oh my God...
I'm sorry" and apologizing
And she looks at the man and she says
She says ... she says: "where are we going?"
And (um...) he looks at her...
And he says
"We're going to a party
It's a birthday party
It's your birthday party, happy birthday darling
We love you very, very, very
Very, very, very, very much"
And then (um...) he starts humming this little tune
And, it kind of goes like this
Is kind of: 1, 2, 1, 2, 3, 4
We must (6)_____ in every telephone
Get eaten off the web
We must rip out all the epilogues
From the books that we have read
And in the (7)_____ of every criminal

Strapped firmly to a chair
We must stare, we must stare, we (8)_____ stare
We (9)_____ take all of the medicines
Too expensive now to sell
Set fire to the preacher who is promising us hell
And in the ear of every anarchist
That sleeps but doesn't dream
We (10)_____ sing, we must sing, we must sing
It'll go like this, all right
While my mother (11)_____ plants
My father (12)_____ his gun
He says : "death (13)_____ (14)_____ us back to
God
Just (15)_____ the setting Sun
Is return to the lonesome ocean"
And then they splashed (16)_____ the deep blue sea
Oh, it was a wonderful splash
We must blend into the choir
Sing (17)_____ with the whole
We must (18)_____ nine numbers
And deny we have a soul,
And in this endless race for property
And privilege to be won
We must run, we must run, we must run
We must hang up in the belfry
Where the bats and moonlight laugh
We must stare (19)_____ a (20)_____ ball
And (21)_____ see the past
And in the (22)_____ of tomorrow
With just our flashlights and our love
We (23)_____ plunge, we must plunge, we (24)_____
plunge
And then we'll get down there
Way (25)_____ to the very bottom of everything
And (26)_____ we'll see it
Oh we'll see it, we'll see it, we'll see it!
Oh my morning's coming back
The whole world's waking up
All the city buses swimming past
I'm happy just because
I found out I am really no one

Fill in the gaps

Answer

1. meet
2. start
3. this
4. Third
5. huge
6. talk
7. face
8. must
9. must
10. must
11. waters
12. loads
13. will
14. give
15. like
16. into
17. ecstatic
18. memorize
19. into
20. crystal
21. only
22. caverns
23. must
24. must
25. down
26. then
