

Uprising by Muse

The paranoia is in bloom, the PR
The transmissions will resume
They'll try to push drugs
Keep us all dumbed down and hope that
We will never see the truth around
Another promise, (1)_____ scene, another
A package not to keep us trapped in greed
With all the green belts wrapped around our minds
And endless red tape to keep the truth confined
They will not force us
They will stop degrading us
They will not control us
We (2)_____ be victorious
Interchanging mind control
Come let the revolution take it's toll if you could
Flick the (3)_____ and open your third eye, you'd
see that
We should never be afraid to die

Fill in the gaps

Rise up and (4)_____ the power back, it's (5)_____
that

Their time is coming to an end
We have to unify and watch our flag ascend
They will not force us
They will (6)_____ degrading us
They will not control us
