

## Fill in the gaps

### Time After Time by Cyndi Lauper

(I come to say goodbye)  
(But why, Boris, why?)  
(I've (1)\_\_\_\_\_ up my mind)

(I'm (2)\_\_\_\_\_ away)

(Then I shall be alone)

(That (3)\_\_\_\_\_ into the dessert you've spoken of)

(You will take it alone)

(What else can I do?)

(Once you said to me)

(That peace and happiness may be found there)

(You gave me hope)

(And now)

(Now you (4)\_\_\_\_\_ to say goodbye)

(Goodbye)

Lying in my bed

I hear the clock tick

And think of you

Caught up in circles

Confusion is nothing new

Flashback

Warm nights

Almost left behind

Suitcases of memories

Time after

Sometimes you picture me

I'm walking too far ahead

You're calling to me

I can't hear (5)\_\_\_\_\_ you've said

Then you say

Go slow

I fall behind

The second hand unwinds

If you're lost you can look

And you (6)\_\_\_\_\_ find me

Time after time

If you fall I will catch you

I'll be waiting

Time after time

If you're lost you can look

And you will find me

Time after time

If you fall I will catch you

I'll be waiting...

Time after time

After my picture fades

And darkness has turned to gray

Watching through windows

You're wondering if I'm ok

Secrets stolen

From deep inside

The drum (7)\_\_\_\_\_ out of time

If you're (8)\_\_\_\_\_ you can look

And you will find me

Time after time

If you fall I will catch you

I'll be waiting

Time after time

You said

Go slow

I fall behind

The second hand unwinds

If you're lost you can look

And you will find me

Time after time

If you fall I will catch you

I'll be waiting

Time after time

If you're lost you can look

And you will find me

Time after time

If you (9)\_\_\_\_\_ I will catch you

I'll be waiting

Time after time

Time after time

Time after time

Time after time

Time after time

Time (10)\_\_\_\_\_ time

Time after time

Time after time

Time after time

Time after time

(Time after...)

(Time)
