Long Road To Ruin by Foo Fighters

Here now, don't make a sound
Say, have you heard the news today?
One flag was taken down
To raise another in its place
A heavy (1)_____ you bear
A stubborn heart remains unchanged
No harm, no life, no love
No stranger singin' in your name
Maybe the season
The colors change in the valley skies
Dear God, I've sealed my fate
Runnin' (2)_____ hell, heaven can wait
Long road to ruin (3)_____ in your eyes
Under the (4)_____ streetlights
No tomorrow, no (5)_____ end in sight
Let's say we take this town
No king or queen of any state
Get up to shut it down
Open the streets and raise the gates
I (6)_____ a (7)_____ to scale
I (8)_____ a (9)_____ without a name
Head on without a care
Before it's way too late
Maybe the season
The colors change in the valley skies
Oh God, I've sealed my fate
Runnin' through hell, heaven can wait
Long road to (10)_____ (11)_____ in your eyes

Under the cold streetlights
No tomorrow, no (12)_____ end
Long road to ruin (13)_____ in your eyes
Under the cold streetlights
No tomorrow, no dead end in sight
Long (14)_____ to (15)_____ there in
(16)_____ eyes
Under the cold streetlights
No tomorrow, no dead ends
For (17)_____ piece to (18)_____ in place
Forever (19)_____ without a trace
Your horizon takes its shape
No turnin' back, don't turn (20)_____ page
Come now, I'm leavin' here tonight
Come now, let's leave it all behind
Is that the price you pay
Runnin' (21)_____ hell, heaven can wait
Long road to ruin there in (22)_____ eyes
Under the (23)_____ streetlights
No tomorrow, no (24)_____ ends
Long road to (25)_____ there in your eyes
Under the (26)_____ streetlights
No tomorrow, no dead ends
Long road to ruin there in your eyes
Under the cold streetlights
No tomorrow, no (27)_____ end in sight
