

Fill in the gaps

All my life I've been searching for something		Closer to the (13)	at the end of the rope
Something never comes (1)	leads to nothing	All night (14)	_ I dream of the day
Nothing satisfies but I'm getting close		When it comes (15)	then it's taken away
Closer to the (2) at the end of the rope		Leaves me with the feeling that I feel the most	
All night long I dream of the day		The feeling comes to life when I see your ghost	
When it comes around then it's taken away		And I'm done, done	
Leaves me with the feeling that I feel the most		And I'm on to the next one	
The feeling comes to life when I see your ghost		Done, done	
Come down don't you resist		And I'm on to the next one	
You have (3) a delicate wrist		Done, done	
And if I give it a twist		And I'm on to the next one	
Something to (4) when I lose my breath		Done, done	
Will I (5) something in that		And I'm on to the next one	
So give me just what I need		Done, done	
Another reason to bleed		And I'm on to the next one	
One by one hidden up my sleeve		Done, done	
One by one hidden up my sleeve		And I'm on to the next one	
Hey don't let it go to waste		Done, done	
I love it but I (6) the taste		And I'm on to the next one	
Weight (7) me down		Done, I'm done	
Hey don't let it go to waste		And I'm on to the next	
I love it but I hate the taste		Done, done	
Weight keeping me down		And I'm on to the next one	
Will I find a believer		Done, I'm done	
Another one who believes		And I'm on to the next	one
Another one to deceive		Done, done	
Over and (8) down on my knees		And I'm on to the next one	
If I get any closer		Done, I'm done	
And if you open up wide		And I'm on to the next	
And if you let me inside		Hey don't let it go to w	aste
On and on I've got (9) t	o hide	I love it but I (16)	the taste
On and on I've got nothing to hide		Weight keeping me do	own
Hey don't let it go to waste		Hey don't let it go to w	aste
I love it but I hate the taste		I love it but I hate the t	aste
Weight (10) me down		Weight keeping me do	own
Hey don't let it go to waste		Done, done	
I love it but I hate the taste		And on to the next one	•
Weight keeping me down		Done, I'm done	
All my (11) I've been searching for something		And I'm on to the next	
Something never (12) never	leads to nothing		
Nothing satisfies but I'm getting close
