Fill in the gaps

All my (1)	I've been searching for something	Closer to the prize at the end of the rope	
Something never comes never leads to nothing		All night long I dream of the day	
Nothing satisfies but I'm getting close		When it comes around then it's taken away	
Closer to the prize at the end of the rope		Leaves me with the feeling that I feel the most	
All night (2)	I dream of the day	The (7) (8)	to life when I see
When it comes around then it's taken away		your ghost	
Leaves me with the feeling that I feel the most		And I'm done, done	
The feeling comes to life when I see your ghost		And I'm on to the next one	
Come down don't you resist		Done, done	
You have such a delicate wrist		And I'm on to the next one	
And if I give it a twist		Done, done	
Something to hold (3) I lose my breath		And I'm on to the next one	
Will I find something in that		Done, done	
So give me just (4) I need		And I'm on to the next one	
Another reason to bleed		Done, done	
One by one hide	den up my sleeve	And I'm on to the next one	
One by one hidden up my sleeve		Done, done	
Hey don't let it go to waste		And I'm on to the next one	
I love it but I hate the taste		Done, done	
Weight keeping me down		And I'm on to the next one	
Hey don't let it go to waste		Done, I'm done	
I love it but I hate the taste		And I'm on to the next	
Weight keeping me down		Done, done	
Will I (5) a believer		And I'm on to the next one	
Another one who believes		Done, I'm done	
Another one to deceive		And I'm on to the next one	
Over and over down on my knees		Done, done	
If I get any closer		And I'm on to the next one	
And if you open up wide		Done, I'm done	
And if you let me inside		And I'm on to the next	
On and on I've got nothing to hide		Hey don't let it go to waste	
On and on I've o	got (6) to hide	I (9) it but I hate the taste	
Hey don't let it go to waste		Weight keeping me down	
I love it but I hate the taste		Hey don't let it go to waste	
Weight keeping me down		I love it but I hate the taste	
Hey don't let it go to waste		Weight keeping me down	
I love it but I hate the taste		Done, done	
Weight keeping me down		And on to the (10) one	
All my life I've been searching for something		Done, I'm done	
Something never comes never leads to nothing		And I'm on to the next
