

Good Life by OneRepublic

Fill in the gaps

Woke up in London yesterday
Found myself in the city near Piccadilly
Don't really know how I got here
I got some pictures on my phone
New names and numbers that I don't know
Address to places like Abbey Road
Day turns to night, night turns to whatever we want
We're young enough to say
Oh... this is (1)_____ be good life
This is gonna be good life
This could be a good life, good life
Say oh..., got this feeling (2)_____ you can't fight
Like this city is on fire night
This could be good life
A good, good life
To my friends in New York, I say hello
My friends in L.A. (3)_____ don't know
Where I've been for the past few years or so
Paris to China to Col-or-ado
Sometimes there's airplanes I can't jump out
Sometimes there's bullshit that don't work now
We are god of stories but please tell me-e-e-e
What there is to complain about
When you're happy like a fool
Let it take you over
When everything is out
You gonna take it in
Oh... this is gonna be (4)_____ life
This is (5)_____ be good life
This could be good life, good life
Say oh..., got this feeling that you can't fight

Like this city is on fire night
This could be a good life
A good, good life
(...)
Hopelessly
I feel like that might be something that I'll miss
Hopelessly
I feel like the window closes oh so quick
Hopelessly
I'm taking a mental (6)_____ of you now
'Cuz hopelessly
The hope is we have so (7)_____ to feel good about
Oh... this is gonna be good life
This is gonna be good life
This could be a good life, good life
Say oh..., got this feeling that you can't fight
Like this city is on fire night
This could be (8)_____ life
A good, good life
(...good, good life..., good life..., good life...)
To my friends in New York, I say hello
My friends in L.A. they don't know
Where I've been for the past few years or so
Paris to China to Col-or-ado
Sometimes there's airplanes I can't jump out
Sometimes there's bullshit (9)_____ don't work now
We are god of stories but please tell me-e-e-e
What (10)_____ is to complain about

Answer

1. gonna
2. that
