93 Million Miles by Jason Mraz

93 million miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A (1)_____ light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in (2)_____ you're gonna go far
If you do it right, you'll love (3)_____ you are
Just know, (4)_____ you go
You can always come home...
240 thousand miles from the moon
We've (5)_____ a long way to belong here
To share this view of the night
A glorious night
Over the (6)_____ is another bright sky
Oh, my, my, how beautiful
Oh, my irrefutable father
He told me, son, sometimes it may seem dark
But the absence of the light is a necessary part
Just know, you're never alone
You can always come back home...
Home

Home
You can (7)_____ come back
Every road is a slippery slope
But (8)_____ is always a hand that you can hold on to
Looking deeper through the telescope
You can see (9)_____ your home's inside of you
Just know
That wherever you go
No, you're never alone
You will always get back home....
...
Home
Home
