

Wild Child by Enya

Ever close your eyes
Ever stop and listen
Ever feel alive
And you've nothing missing
You don't need a reason
Let the day go on and on
Let the rain fall down
Everywhere (1)_____ you
Give (2)_____ it now
Let the day (3)_____ you
You don't need a reason
Let the rain go on and on
What a day, what a day to take to
What a way, what a way to (4)_____ it through
What a day, what a day to (5)_____ to a wild child
Only take the time
From the helter skelter
Every day you find
Everything's in kilter
You don't need a reason
Let the day go on and on

Fill in the gaps

Every summer sun
Every winter evening
Every spring to come
Every autumn leaving
You don't need a reason
Let it all go on and on
What a day, what a day to take to
What a way, what a way to make it through
What a day, what a day to take to a wild child
What a day, what a day to take to
What a way, (6)_____ a way to make it through
What a day, what a day to (7)_____ to a wild child
What a day, what a day to take to
What a way, what a way to (8)_____ it through
What a day, (9)_____ a day to take to
