

Fill in the gaps

Explosions by Ellie Goulding

You (1)_____ like you'd seen a ghost
And I gave in
I lack the things you need the most, you said
Where have you been
You wasted all that sweetness to run and hide
I (2)_____ why
I (3)_____ you of the days you poured your heart
into
But you never tried
I've fallen from grace, took a blow to my face
I've loved and I've lost, I've loved and I've lost
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
It will never be the same
You left my soul (4)_____ in the dark
So you could be king
The rules you set are still untold to me and I've
Lost my faith in everything
The nights you could cope
Your intentions were gold
But the mountains will shake
I need to know I can still make explosions

On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
And as the (5)_____ move in
And your body starts to sink
I was the last thing on your mind
I know you (6)_____ (7)_____ you think
'Cause it's simple, darling
I gave you a warning
Now everything you own
Is falling from the sky in pieces
So watch (8)_____ fall with you in slow motion
I pray (9)_____ you'll find peace of mind
And I'll find you another time
I'll love you, another time
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
