(I Just) Died In Your Arms by Cutting Crew

(Oh I)
I just died in your arms tonight
It must have been (1)_____ you said
I just died in your arms tonight...
I keep looking for something I can't get
Broken hearts, they're all around me
And I don't see an easier way to get out of this
Her diary sits by the bedside table
The curtains are closed
The cat's in the cradle
Who would have thought that a boy (2)_____ me
Could come to this?
(Oh I)
I just (3)_____ in your arms tonight
It must have been something you said
I just died in your arms tonight
(Oh I)
I just died in your arms tonight
It must have (4)_____ some kind of kiss
I should have walked away
I should (5)_____ (6)_____ away
Is there any just cause for feeling like this?
On the surface I'm a name on a list
I try to be discreet
But then blow it again
I've lost and found it's my final mistake
She's loving by proxy
No give and all take
'Cause I've been thrilled to fantasy

One too many times
(Oh I)
I just died in your arms tonight
It must have been something you said
I just died in your arms tonight
(Oh I)
I just died in your arms tonight
It must have been some kind of kiss
I should have walked away
I should have walked away
It was a long hot night
She made it easy
She (7)_____ it (8)_____ right
But now it's over
The moment has gone
I (9)_____ my hands to my head
I know I was wrong
(Oh I)
I just died in your arms tonight
It must have been something you said
I just died in your arms tonight
(Oh I)
