Society by Eddie Vedder

(Oh) It's a mystery to me

We have a greed with which we have agreed

And you think you have to (1)_____ more than you need

Until you (2)_____ it all you won't be free

Society, you're a crazy breed

I hope you're not lonely without me...

When you (3)_____ (4)_____ than you have

You think you need...

And when you think more than you want

Your thoughts begin to bleed

I think I need to find a bigger place

Because when you have more than you think

You need more space

Society, you're a crazy breed

I hope you're not lonely without me...

Society, crazy indeed

I hope you're not (5)_____ without me...

There's those thinking, more-or-less, less is more

But if less is more, how you keeping score?

Means for every point you make, your level drops

Kinda (6)_____ you're (7)_____ from the top

You can't do that...

Society, you're a crazy breed

I hope you're not lonely without me...

Society, crazy indeed

I hope you're not lonely (8)_____ me...

Society, have mercy on me

I hope you're not angry if I disagree...

Society, crazy indeed

I hope you're not lonely without me...
