

Fill in the gaps

I Never Told You by Colbie Caillat

I miss those blue eyes
How you kiss me at night
I miss the way we sleep
Like there's no sunrise
Like the taste of your smile
I miss the way we breathe
But I never told you
What I should have said
No, I never told you
I just held it in
And now
I miss everything about you
I can't believe that I still want you
And after all the things we've been through
I miss everything about you
Without you...
I see your blue eyes
Everytime I (1)_____ mine
You make it hard to see
Where I (2)_____ to
When I'm not around you
It's like I'm (3)_____ with me
But I (4)_____ told you

What I should (5)_____ said
No, I never told you
I just held it in
And now
I miss everything about you...
I can't believe that I still want you...
And after all the things we've been through...
I miss everything about you
Without you
(Oh no, no...)
But I never (6)_____ you
What I should have said
No, I never (7)_____ you
I just held it in
And now
I miss everything about you...
I can't believe that I still want you...
And after all the things we've been through...
I (8)_____ everything (9)_____ you
Without you
...

Answer

1. close
2. belong
3. alone
