

Fill in the gaps

Trouble by Leona Lewis

You drink more than you used to
Fell in love, how could you
Trust (1)_____ heart like only (2)_____ do
Go on, let it bleed
You smoked ten, now it's twenty
Bet you wish you never met me
To stick around, you must be crazy
Go on, let it bleed
I told you never to get used to me
I still awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you (3)_____ never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
You shout louder than you (4)_____ to
And you hold on tighter in the bedroom
Stick around like imma change soon
Go on, let it bleed
As you stand (5)_____ trying to (6)_____ me
Use your head and, babe, believe me

Gonna take much more than a heart to save me
Go on, let it bleed
I told you never to get used to me
I still awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you (7)_____ never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
Run away now, turn your back on me
You'll be praying for the (8)_____ to leave
I told you never to get used to me
I (9)_____ awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should (10)_____ follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
