#### Fill in the gaps

#### Morning After Dark by Timbaland & Nelly Furtado & Soshy

Go Timbo
I'll be the same when it all goes up
I'll be the same when it all goes down
Not the first one open it up
I'll be the last one closing it out
Don't know if I'll give you a shot yet
Little mama, I'm peeping (1) style
Do I think you're dope enough (yup)
One way of finding it out
The way you came at me (boo)
Don't care, not afraid, I'm like wild
Really (2) it from head to toe
Question if she (3) let it out
Anyway the (4) glass go
I don't worry anyhow
Why don't we see (5) it go
Let's figure it out
When the cats come out the bats come out to play, yeah
In the morning after
The (6) is here, be gone, be on your way, yeah
In the morning after
When the cats come out the (7) come out to play,
yeah
In the morning after
The (8) is here, be gone, be on your way, yeah
In the morning after dark
Come on, SoShy
I got a little secret for you
I never sleep when comes the night
But (9) time I (10) my fingers
I switch back into the light
My moon (11) to your sun
Your fire is burning my mind
Is it love or is it lust
Something that I just can't describe
Am I the one and only
'Cause you're the only one
It felt so (12) and lonely
Waiting for you to come
It's looking bright and early
I'm willing to close my eyes
This is the unusual story
Timbo and SoShy
When the cats come out the bats (13) out to play,
yeah
In the morning after
The (14) is here, be gone, be on your way, yeah
