

Fill in the gaps

If I never feel you in my arms again	That I shall never breathe again (breathe again)
If I never feel your tender (1) again	And I can't stop thinking about
If I never hear I love you now and then	About the way my life would be
Will I never make love to you once again	No, I can't stop thinking about
Please understand, if love ends	How could you love me then leave
Then I promise you, I promise you that	And I can't get you out of my mind
That I shall never breathe again	God knows how hard I've tried
(Breathe again, breathe again)	And if you walk right out my life
That I shall never breathe again (breathe again)	God knows I'd surely die
And I can't stop thinking about	And I can't stop doing without (no, no)
About the way things used to be	Without the wailing of my heart
And I can't stop thinking about	No, I can't stop doing without (no, no)
About the love that you made to me	For I would surely fall apart
And I can't get you out of my head	And I can't get you out of my mind
How in the world (2) I begin	And I know I can't deny it
To let you walk right out my life and blow my (3)	And I would die if you decide you won't see me again
