

Fill in the gaps

Figure 8 by Ellie Goulding

Breathe your smoke into my lungs
In the back of the car (1)_____ you I (2)_____
into the sun
Still not too old to die young
The lovers hold on to everything
And others hold on to anything
I chased your love around a figure eight
I need you more than I can take
You promised forever and a day
And then you take it all away
(Way, way, way)
And then you take it all away
(Way, way, way, way)
Place a kiss on my cheekbone
Then you vanish me, I'm buried in the snow
But something tells me I'm not alone
But (3)_____ hold on to everything
And others hold on to anything
I chased (4)_____ love around a figure eight
I (5)_____ you more than I can take
You promised forever and a day
And then you take it all away

(Way, way, way)
And then you take it all away
(Way, way, way, way, way)
So lovers hold on to everything
And (6)_____ hold to anything
So lovers (7)_____ on to everything
And others hold to anything
I chased your love around a (8)_____ eight
I need you more than I can take
You promised forever and a day
And (9)_____ you take it all away
I chased your love around a figure eight
I need you more than I can take
You promised forever and a day
And (10)_____ you take it all away
(Way, way, way, way, way...)
And then you take it all away
(Way way, way, way)
