

Fill in the gaps

5 Years Time by Noah and the Whale

Well in (1)	(2)	(3)	we	And it'll be love, love, love, all (15)	her face	
could be (4)	(5)	the zoo		And love, love, love, all over mine		
With the sun shining down over me and you				And though merely all these moments		
And there'll be love in the bodies of the elephant's too				Are just in my head		
I'll put my (6) over your eyes, but you peek				I'll be thinking about them as I'm lying in bed		
through				And I know that it merely, (16)	might not even	
And there'll be sun, sun, sun				come true		
All over our bodies, and sun, sun, sun				But in my mind I'm having a pretty good time with you		
All down our necks there'll be sun, sun, sun				Oh in five years time		
All (7) our faces and sun, sun, sun				I might not (17) you		
So, what the heck				In (18) (19) time		
'cause I'll be laughing at your (8) little jokes				We (20) not speak		
And we'll be laughing about how we used to smoke				In five years time		
All (9) stupid (10) cigarretes and				We (21) not get along		
drink (11) wine				In five years time		
'Cause it's what we needed to have a good time				You (22) just prove me wrong		
But it was fun, fun, fun				Oh there'll be love, love		
When we were drinking, it was fun, fun, fun				Wherever you go there'll be love, love, love		
When we were (12) and it was fun, fun, fun			Wherever you go there'll be love, love, love			
When we were laughing, it was fun, fun, fun				Wherever you go there'll be love, love, love		
Oh, it was fun				Wherever you go there'll be love, love, love		
Oh, well I'll look at you and say				Wherever you go there'll be love, love, love		
It's the happiest that I've ever been				Wherever you go there'll be love, love, love		
And I'll say I no longer feel, I have to be James Dean				Wherever you go there'll be love, love, love		
And she'll say, yeah well I feel all (13) happy				Wherever you go there'll be love		
too						
And I'm always (14)	ha	рру				
When I'm just kicking	back with you					
And it'll be love, love	, love, all through o	our bodies				
And love, love, love,	all through our mir	ids
