

Fill in the gaps

A Happy Place by Katie Melua

I'm (1)_____ to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand eyes are watching
Marching home and no one's touching
Army of the (2)_____ workers
Secretaries, lawyers, brokers
Heading for a (3)_____ station
Heading for a quick salvation
Oblivious to (4)_____ cola
Trying to sell to every stranger
Stuck here it's cold I'm standing
Hoping for some understanding
Only way to go is inside
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand light years travel
Let my sense of time unravel
Trapped feelings are never ending
Send those (5)_____ descending
Towards the (6)_____ red centre
Let the fire rise and enter
Tap into the primal power
Rising like a giant tower
The energy receiving

Cut a hole right through the ceiling
People getting smaller as you fly
I'm going to find a happy
I'm going to find a happy
I'm (7)_____ to find a happy place
A happy place
A (8)_____ place
A happy...
Find a star, send down a beam to where you are
An elevator of light taking you somewhere
Where you'll always be loved
I have found (9)_____ stress and nonsense
Puts me in zone of avoidance
Could my mind be moving faster
Pulling like a super cluster
Can be hard to trust a feeling
But believing ends in seeing
We're going to find a happy
We're going to find a happy
We're going to find a happy place
A happy place
A (10)_____ place
A happy...

Answer

1. going
2. city
3. London
4. cherry
5. weaknesses
6. earth's
