

Fill in the gaps

Across The Universe Of Time (Live) by Hayley Westenra

When the sea falls from the shore

As the light sinks low, will I see you any more?

As the rain falls from the sky

Can I bring you back, from a distant lullaby?

Show me your vision, the (1)_____ begun

Two lights are rising and burning as one

In the (2)_____ blue of the night

Shine the millions of stars and my spirit burning bright

Spinning on, into the sun

Flying higher now my journey's begun

And the cold, cold wind, it blows me away

The feeling all over is a black, (3)_____ day

But I know that I'll see you again

And I know that you're near me

There's a star, (4)_____ my name

It's echo is true and the (5)_____ is not the same

Take my (6)_____ and lead me away

Bring me back to you in your arms I'm going to stay

Tell me your vision, the story begun

Two lights are rising and burning as one

All those years drifting in space

I (7)_____ (8)_____ you well, yet I've never seen your face

You turn around, looking at me

Laughter in your eyes and now I can see

And the cold, cold wind, it blows me away

The feeling all (9)_____ is a black, (10)_____ day

But I know that I'll see you again

And I know that you're near me

Answer

1. story
