I Drove All Night by Cyndi Lauper

I had to escape
The city was sticky and cruel
Maybe I should have (1)_____ you first
But I was dying to get to you
I was dreaming while I drove
The long straight road ahead
Could taste your sweet kisses your (2)_____ open wide
This fever for you is just burning me up inside
I drove all night
To get to you
Is that alright
I drove all night
Crept in (3)_____ room
Woke you from your sleep
To make (4)_____ to you
Is (5)_____ alright
I drove all night
What in this world
Keep us from tearing apart
No matter where I go I hear
The beating of your heart
I think about you when the night is cold and dark
No one can (6)_____ me the way that you do
Nothing erases this feeling between me and you

I drove all night
To get to you
Is that alright
I drove all night
Crept in (7)_____ room
Woke you from your sleep
To make love to you
Is (8)_____ alright
I drove all night
I taste your sweet kisses your arms (9)_____ wide
This fever for you is just burning me up inside
I drove all night
To get to you
Is that alright
I drove all night
Crept in (10)_____ room
Woke you from your sleep
To make love to you
I drove all night
I taste your sweet kisses your arms open wide
This fever for you is just burning me up inside
I drove all night
