I Drove All Night by Cyndi Lauper

I had to escape

The city was sticky and cruel

Maybe I should have called you first

But I was dying to get to you

I was dreaming while I drove

The long straight road ahead

Could taste your sweet kisses your arms open wide

This fever for you is just burning me up inside

I drove all night

To get to you

Is that alright

I (1)_____ all night

Crept in your room

Woke you from (2)_____ sleep

To make love to you

Is that alright

I drove all night

What in this world

Keep us from tearing apart

No matter where I go I hear

The beating of your heart

I (3)_____ about you when the night is cold and dark

No one can move me the way that you do

Nothing erases this feeling between me and you

I drove all night

To get to you

Is that alright

I drove all night

Crept in your room

Woke you from your sleep

To make love to you

Is that alright

I drove all night

I (4)_____ your (5)_____ kisses your arms open wide

This fever for you is just burning me up inside

I drove all night

To get to you

Is (6)_____ alright
