Rumour Has It (Live) by Adele

But I'm cold to the core

Fill in the gaps

She, she ain't real	But (17) has it
She ain't gonna be able to love you like I will	I'm the one you're leaving her for
She is a stranger	Rumour has it (rumour)
You and I have history	Rumour has it (rumour)
Or don't you remember?	Rumour has it (rumour)
Sure, she's got it all	Rumour has it (rumour)
But, baby, is that really (1) you want?	Rumour has it (rumour)
Bless (2) soul	Rumour has it (rumour)
You've got (3) (4) in the clouds	Rumour has it (rumour)
She (5) a fool out of you	Rumour has it (rumour)
And, boy, she's (6) you down	All of these words whispered in my ear
She (7) (8) heart melt	Tell a story that I cannot bear to hear
But you're (9) to the core	Just 'cause I (18) it
Now rumour has it she ain't got your love anymore	It don't mean that I meant it
Rumour has it (rumour)	People say crazy things
Rumour has it (rumour)	Just 'cause I said it
Rumour has it (rumour)	Don't mean (19) I meant it
Rumour has it (rumour)	Just 'cause you heard it
Rumour has it (rumour)	Rumour has it (rumour)
Rumour has it (rumour)	Rumour has it (rumour)
Rumour has it (rumour)	Rumour has it (rumour)
Rumour has it (rumour)	Rumour has it (rumour)
She is half your age	Rumour has it (rumour)
But I'm (10) that's the	Rumour has it (rumour)
(11) that you strayed	Rumour has it (rumour)
I heard you've (12) missing me	Rumour has it (rumour)
You've been telling (13) (14)	She is half your age
you shouldn't be	But I'm (20) that's the reason
Like when we creep out and she ain't around	(21) you strayed
Haven't you heard the rumours?	I heard
Bless your soul, you've got (15) head in the clouds	Rumour has it he's the one I'm (22) you for
You (16) a fool out of me	
And, boy, you're bringing me down	
You made my heart melt
