The Crow & The Butterfly by Shinedown

your room at midnight	You know I can be	You know I can barely breathe			
So I'd know yesterday was over		Just (4)	a crow chasing the butterfly		
I put all your books on the top shelf		Dandelions lost in the summer sky			
Even the one with the four leaf clover		When you and I were gettin' high as outer space			
an I'm getting older		I never (5)	у	ou would slip away	
I took all your pictures off the wall		I guess I was just a little too late			
And wrapped them in a newspaper blanket		Just like a crow chasing the butterfly			
aven't slept in what seems like a century d now I can barely breathe		Dandelions lost in the summer sky			
		When you and I were gettin' high as outer space			
Just like a crow chasing the butterfly		I (6) thought you would slip away			
andelions lost in the summer sky		Like a crow (7)		the butterfly	
gettin' high as (2)	space	Dandelions lost in	the (8)	sky	
I never thought you would slip away		When you and I were gettin' high as (9) spa			_ spac
I guess I was just a little too late		I never thought you would slip away			
Your words still serenade me		I guess I was just a little too late			
Your allibies won't let me sleep		Just a little too late
