I'm giving up this ghostIn (17) parade of painHow can I (2) justifyUntil my (18) breathWhen you (3) my voiceYou'll (19) knowIn this (4) I'm not allowedUntil you (20) the silenceI just follow aloneWhen I am goneWords as (5) (6) aNow it's vanishingsoundEverythingEchoes (7) unbornWhat we might have beenUntil my (8) knowCall my nameUntil you feel the silenceBut you won't see againWhen I am goneUntil my last breathNow it's vanishingYou'll never knowUntil you feel the silenceUntil my last breathNow it's vanishingYou'll never knowEverythingUntil my last breathNow it's vanishingYou'll never knowEverythingUntil you (21) the silenceWhat we (10) have beenWhen I am gone

Now it's vanishingYou'll never knowEverythingUntil you (21) the silence
Everything Until you (21) the silence
What we (10) have been When I am gone
Only now (11) prays Now it's vanishing
Call my name Everything
But you won't see again What we (22) have been
Who can (12) this memory? Only now (23) prays
Inside it (13) to burn Call my name
Worship by the enemy But you won't see again
The guilty (14) (15) turns
Watching as it's disappearing
Shadows all (16) remain
