Love Like Winter by AFI

Warn you (1)_____ to turn away
Here it's December, everyday
Press your lips to the sculptures
And surely you'll stay (love like winter...)
Fire, sugar, and ice
I am made, I am made
It's in the blood, it's in the blood
I met my love, before I was born
He wanted love, I taste the blood
He bit my lip, and drank my warmth
From years before
From years before
She attails the mirror lace
I barely dreamt her, yesterday (yesterday...)
With the lines in the mirror
Through the (2)_____ trace...
She (3)_____ "It seems you're somewhere, far away..."

To his place"
It's in the blood, it's in the blood
I met my love, before I was born
She (4)_____ love, I (5)_____ the blood
She bit my lip, and drank my warmth
From (6)_____ before
From years before
Love like winter (Oh oh...)
Love like winter, winter... 3...4...
It's in the blood, it's in the blood
I met my love, before I was born
He wanted love, I taste the blood
He bit my lip, and (7)_____ my warmth
From years before
From years before
