## Lucidity by Tame Impala

## Fill in the gaps

I know (1) you went
But I don't know how you got there
I know where you went
But I don't know how you got there
Silver tongue hill
Where you talk up what I'd play down
I would speak up
But I wouldn't know what to say
Lucidity, come back to me
Put all five senses back to
Where they're meant to be
(Oh) it's hard to tell, it breaks down
There is a will, (2) is a way
Wondering around like spare time (3) knew it
Wondering around like spare time (3) knew it  I might suck (4) or I might (5) float away
I might suck (4) or I might (5) float away
I might suck (4) or I might (5) float away  And we'll go (6) off tonight
I might suck (4) or I might (5) float away  And we'll go (6) off tonight  High above
I might suck (4) or I might (5) float away  And we'll go (6) off tonight  High above  Where we won't even need to reach
I might suck (4) or I might (5) float away  And we'll go (6) off tonight  High above  Where we won't even need to reach  The sky my love
I might suck (4) or I might (5) float away  And we'll go (6) off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) there (7) be a change in the air
I might suck (4) or I might (5) float away  And we'll go (6) off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) there (7) be a change in the air  Nobody will be anybody else
I might suck (4) or I might (5) float away  And we'll go (6) off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) there (7) be a change in the air  Nobody will be anybody else  Lucidity, come back to me
I might suck (4) or I might (5) float away  And we'll go (6) off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) there (7) be a change in the air  Nobody will be anybody else  Lucidity, come back to me  Put all five (8) back to
