## Lucidity by Tame Impala

## Fill in the gaps

I know (1) you went
But I don't know how you got there
I know where you went
But I don't know how you got there
Silver tongue hill
Where you (2) up what I'd play down
I would speak up
But I wouldn't know (3) to say
Lucidity, come back to me
Put all (4) senses back to
Where they're meant to be
(Oh) it's hard to tell, it breaks down
There is a will, there is a way
Wondering around like spare time never knew it
Wondering around like spare time never knew it  I might (5) fizzle or I might just (6) away
I might (5) fizzle or I might just (6) away
I might (5) fizzle or I might just (6) away  And we'll go running off tonight
I might (5) fizzle or I might just (6) away  And we'll go running off tonight  High above
I might (5) fizzle or I might just (6) away  And we'll go running off tonight  High above  Where we won't even need to reach
I might (5) fizzle or I might just (6) away  And we'll go running off tonight  High above  Where we won't even need to reach  The sky my love
I might (5) fizzle or I might just (6) away  And we'll go running off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) there will be a (7) in the air
I might (5) fizzle or I might just (6) away  And we'll go running off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) there will be a (7) in the air  Nobody (8) be anybody else
I might (5) fizzle or I might just (6) away  And we'll go running off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) there will be a (7) in the air  Nobody (8) be anybody else  Lucidity, come back to me
I might (5) fizzle or I might just (6) away  And we'll go running off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) there will be a (7) in the air  Nobody (8) be anybody else  Lucidity, come back to me  Put all five senses (9) to
