Fill in the gaps

Don't believe what you hear
Don't believe what you see
If you just close your eyes you can feel the enemy
When I first met you girl, you had fire in (1)_____ soul
What happened t'your face of melting snow
Now it (2)_____ like this!
And you can swallow or you can spit
You can throw it up, or choke on it
And you can dream, so dream out loud
You know that your time is coming round
So don't let the bastards grind you down
No, nothing (3)_____ sense, nothing seems to fit
I know you'd hit out if you only knew who to hit
And I'd join the movement
If there was one I could believe in
Yeah, I'd break bread and wine
If there was a church I could receive in
'Cause I need it now
To (4)_____ the cup
To (5)_____ it up, to drink it slow

I can't let you go
And I must be an acrobat
To talk (6)_____ this and act (7)_____ that
And you can dream, so dream out loud
And don't let the bastards (8)_____ you down
What are we going to do now it's all been said?
No new ideas in the house, and every book's been read
And I must be an acrobat
To (9)_____ like this and act like that
And you can dream, so dream out loud
And you can find your own way out
And you can build, and I can will
And you can call, I can't wait until
You can stash and you can seize
In dreams begin responsibilities
And I can love, and I can love
And I know that the tide is turning 'round
So don't let the bastards grind you down
