

Firefly by South Jordan

Fill in the gaps

I, I (1)_____ you
I'm a lightning bug trying to (2)_____ the sun
And I, I lost you
To a satellite in the midnight sky
You said it yourself you won't fool us twice
So why the hell have you been flying by? (yeah)
You (3)_____ come (4)_____
(5)_____ alone
You're gonna find you're falling
And you're falling on your own
You better come back tonight, alone
You're gonna find you're falling
And you're falling on your own
You and I, we are everything but perfect
But there's no way to learn this
Without making our mistakes
Somehow I let you slip away (oh)
There is nothing I believe in more than us
You left me nothing and it's all I've left to trust
I'm at the edge and turning round, alone
So, you (6)_____ come back tonight, alone
You're gonna find you're falling

And you're falling on your own
You better come back tonight, alone
You're gonna find you're falling
And you're falling on your own
I (7)_____ to build the bridge to bring you here
So sick of us being up in the air
Nothing is (8)_____ without you here with me
You better come back tonight, alone
You're gonna find you're falling
And you're falling on your own
You better come back tonight, alone
You're gonna find you're falling
And you're falling on your own
(You better (9)_____ back)
My firefly (come back...)
My (10)_____ (come back...)
Come back to me
Come back
