Every Single Night by Fiona Apple

Every (1)_____ night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These ideas of mine percolate the mind
Trickle (2)_____ the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I ought to be
That I'm (3)_____ I try not to be
It's got to be (4)_____ else's fault
I can't get caught
If what I am is (5)_____ I am, 'cause I (6)_____
what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and (7)_____ is the yolk
And I (8)_____ (9)_____ a meal for us
(10)_____ to choke on

Every single night's a fight (11)_____ my brain
I just want to feel everything
I just (12)_____ to feel everything
I (13)_____ want to feel everything
So I'm (14)_____ try to be still now
Gonna (15)_____ the (16)_____ a little
while and
If we had a double king size bed
We could (17)_____ in it and I'd soon forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast just (18)_____ open
My heart's (19)_____ of parts of all that's around me
And that's why the devil (20)_____ can't get around me
Every single night's alright
Every single night's a fight
And (21)_____ (22)_____ fight's alright with
my brain
I just want to feel everything
I just (23)_____ to feel everything
I just want to feel everything
I just want to feel everything
