Every Single Night by Fiona Apple

Every (1)_____ night, I endure the flight
Of (2)_____ wings of white-flamed butterflies in my
brain
These ideas of mine (3)_____ the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's (4)_____ the pain comes in
Like a (5)_____ skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a (6)_____ with my brain
What do I say to her?
Why do I say it to her?
What (7)_____ she think of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just need a meal for us (8)_____ to choke on

Every single night's a fight with my brain
I (9)_____ (10)_____ to feel everything
I just want to feel everything
I just (11)_____ to (12)_____ everything
So I'm (13)_____ try to be still now
Gonna (14)_____ the (15)_____ a little
while and
If we had a double king (16)_____ bed
We (17)_____ (18)_____ in it and I'd soon forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my (19)_____ just bust
open
My heart's made of (20)_____ of all that's around me
And that's why the devil just can't get (21)_____ me
Every (22)_____ night's alright
Every single night's a fight
And every single fight's (23)_____ with my brain
I (24)_____ want to feel everything
I just want to feel everything
I just want to feel everything
I just want to feel everything
