Fill in the gaps

Welcome To My Life by Simple Plan

én.

Do you ever feel like breaking down?	To (15) like you've been (16)
Do you ever feel out of place?	around
Like somehow you just don't belong	To be on the edge of breaking down
And no one understands you	And no one's (17) to save you
Do you (1) want to run away?	No you don't (18) what it's like
Do you lock (2) in your room?	Welcome to my life
With the radio on turned up so loud	No one ever lied straight to your face
That no one hears you screaming	And no one ever stabbed you in the back
No you don't know what it's like	You (19) think I'm happy
When (3) feels (4)	But I'm not gonna be ok
You don't (5) what it's like	Everybody always (20) you what you
To be like me	(21)
To be hurt, to feel (6)	You never had to work
To be left out in the (7)	It was always (22)
To be kicked (8) you're down	You don't know what it's like
To feel like you've been (9) around	What it's (23)
To be on the edge of breaking down	To be hurt, to feel lost
And no one's there to save you	To be left out in the dark
No you don't know what it's like	To be kicked (24) you're down
Welcome to my life	To feel like you've been pushed around
Do you (10) be somebody else?	To be on the edge of (25) down
Are you (11) of feeling so left out?	And no one's there to save you
Are you desperate to find (12) more	No you don't know what it's (26) (what it's like)
Before your life is over?	To be hurt
Are you stuck inside a world you hate?	To feel (27)
Are you (13) of everyone around?	To be left out in the dark
With their big fake smiles and stupid lies	To be kicked
While deep inside you're bleeding	When you're down
No you don't know what it's like	To feel like you've been pushed around
When nothing feels alright	To be on the edge of breaking down
You don't know (14) it's like	And no one's there to save you
To be like me	No you don't know what it's like
To be hurt, to feel lost	Welcome to my (28)
To be left out in the dark	Welcome to my life
To be kicked when you're down	Welcome to my life
