

Fill in the gaps

(1, 2, 3, 4)
Well I won't be caught living in a dead-end job
Or praying to a government (1) and god
And now it's us against them
We're here to represent
And spit right in the face of the establishment
And now I don't believe
(In having faith in nothing)
Stand on my own
(And got no sympathy)
Wasting your youth
(While feeling young and useless)
Speak for yourself
(And don't pray for me)
Well (2) we're doing fine
And we don't need to be told
That we're doing fine
'Cause we won't give you control
And we don't (3) anything from you
'Cause we'll be just fine
And we won't be (4) and sold
Just like you
(A (5) across the underclass)
Calling out loud with no respect
I'm not the one, just another reject
I'm the voice to offend
All those who pretend
Unsung against the grain I'm here to rise against
And now I'm desensitized
(I state my place in nowhere)
Burning the flag

Everyone sing (The anthem of no future) Down with the mass ('Cause we're not listening) Well (6) we're doing fine And we don't need to be told That we're (7) fine 'Cause we won't give you control And we don't need anything from you 'Cause we'll be just fine And we won't be bought and sold Just like you May I (8) your attention, please?
