Somebody That I Used To Know by Gotye & Kimbra

Now and then I think of when we were together
Like when you said you felt so happy you could die
Told myself (1)_____ you were right for me
But felt so lonely in your company
But that was love and it's an ache I still remember
You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So when we (2)_____ that we could not make sense
Well, you said (3)_____ we would still be friends
But I'll admit that I was glad that it was over
But you didn't have to cut me off
Make out like it never happened
And that we were nothing
And I don't even (4)_____ your love
But you treat me like a stranger
And that (5)_____ so rough
You didn't have to stoop so low
Have your friends (6)_____ your records
And then change your number
I guess that I don't need that though
Now you're (7)_____ somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now and then I think of all the times you screwed me over
But had me believing it was always something that I'd done

But I don't wanna live that way
Reading into every word you say
You said that you could let it go
And I wouldn't catch you hung up
On somebody (8)_____ you used to know
But you didn't have to cut me off
Make out like it never happened
And that we were nothing
And I don't even need your love
But you treat me like a stranger
And that feels so rough
You didn't have to stoop so low
Have your friends collect your records
And then change your number
I guess that I don't need that though
Now you're just (9)_____ that I used to know
Somebody, I used to know
Somebody, now you're just somebody that I used to know
Somebody, I used to know
Somebody, now you're just somebody that I used to know
I used to know
That I used to know
I used to know, somebody
