

Kiss The Stars by Pixie Lott

...
Baby baby, we're on the rocket
Venus and (1)_____ now, can't be apart now
Baby baby, put me in your pocket
We're on a mission, get in position
Put the plug in the socket
Give me all your power
When you turn it on I can go for hours
Hit the switch, push the button, baby
Then you'll see
We can have it all, baby, you and me
Kiss the (2)_____ tonight
You and me, oh, we will
Write our name in lights
They will see we're in (3)_____ tonight
Love tonight, we're in (4)_____ tonight
Love tonight, (5)_____ tonight
We're in love tonight
...
Baby baby, we're on the rocket
Wherever we land you'll be my spaceman
Baby baby, we're supersonic
Now we together will (6)_____ forever
Put the plug in the socket
Give me all your power
When you (7)_____ it on I can go for hours
Hit the switch, push the button, baby

Fill in the gaps

Then you'll see

Write our name in lights
They (8)_____ see we're in (9)_____ tonight
Love tonight, we're in (10)_____ tonight
Love tonight, (11)_____ tonight
We're in love tonight
