

## Astronaut by Simple Plan

...  
Can anybody hear me?  
Am I talking to myself?  
My mind is running empty  
In the search for (1)\_\_\_\_\_ else  
Who doesn't (2)\_\_\_\_\_ right through me  
It's all just static in my head  
Can anybody tell me why  
I'm lonely like a satellite?  
'Cause tonight I'm feeling like an astronaut  
Sending SOS from this tiny box  
And I lost all signal when I lifted up  
Now I'm stuck out here and the world forgot  
Can I please come down  
'Cause I'm tired of drifting round  
And round  
Can I please come down?  
I'm deaf from all the silence  
Is it something that I've done?  
I know (3)\_\_\_\_\_ there are millions  
I can't be the only one who's so disconnected  
It's so different in my head  
Can anybody tell me why  
I'm lonely like a satellite?  
'Cause tonight I'm feeling like an astronaut  
Sending SOS from this tiny box  
And I lost all signal (4)\_\_\_\_\_ I lifted up  
Now I'm stuck out here and the world forgot  
Can I please come down?

## Fill in the gaps

'Cause I'm tired of drifting round  
And round...  
Can I please come down?  
Now I lie (5)\_\_\_\_\_ and scream in a zero gravity  
And it's starting to weigh down on me  
Let's abort this mission now  
Can I please come down?  
So tonight I'm calling all astronauts  
Calling lonely (6)\_\_\_\_\_ that the world forgot  
If you hear my voice come pick me up  
Are you out there?  
'Cause you're all I've got!  
And tonight I'm feeling like an astronaut  
Sending SOS (7)\_\_\_\_\_ this tiny box  
And I lost all signal when I lifted up  
Now I'm stuck out here and the world forgot  
'Cause tonight I'm feeling like an astronaut  
Sending SOS from this (8)\_\_\_\_\_ box  
To the lonely people that the world forgot  
Are you out there?  
'Cause you're all I've got!  
Can I please come down?  
'Cause I'm (9)\_\_\_\_\_ of drifting round and round  
Can I (10)\_\_\_\_\_ come down?  
Can I please come down?  
Can I please come down?

Answer

1. someone
2. look
3. that
4. when
5. awake
6. people
7. from
8. tiny
9. tired
10. please
