

## Fill in the gaps

### Astronaut by Simple Plan

...  
Can anybody hear me?  
Am I talking to myself?  
My mind is running empty  
In the search for someone else  
Who doesn't look right (1)\_\_\_\_\_ me  
It's all just static in my head  
Can anybody tell me why  
I'm lonely like a satellite?  
'Cause tonight I'm feeling like an astronaut  
Sending SOS (2)\_\_\_\_\_ this tiny box  
And I lost all signal when I lifted up  
Now I'm stuck out here and the world forgot  
Can I please come down  
'Cause I'm tired of drifting round  
And round  
Can I please come down?  
I'm deaf from all the silence  
Is it something that I've done?  
I know that there are millions  
I can't be the only one who's so disconnected  
It's so different in my head  
Can anybody tell me why  
I'm lonely (3)\_\_\_\_\_ a satellite?  
'Cause tonight I'm feeling like an astronaut  
Sending SOS from this tiny box  
And I lost all signal when I lifted up  
Now I'm stuck out (4)\_\_\_\_\_ and the world forgot  
Can I please come down?

'Cause I'm tired of drifting round  
And round...  
Can I please (5)\_\_\_\_\_ down?  
Now I lie awake and scream in a zero gravity  
And it's starting to weigh down on me  
Let's abort this mission now  
Can I please come down?  
So tonight I'm calling all astronauts  
Calling lonely people that the world forgot  
If you (6)\_\_\_\_\_ my voice come pick me up  
Are you out there?  
'Cause you're all I've got!  
And (7)\_\_\_\_\_ I'm (8)\_\_\_\_\_ like an  
astronaut  
Sending SOS from this tiny box  
And I lost all signal when I lifted up  
Now I'm stuck out here and the world forgot  
'Cause tonight I'm feeling like an astronaut  
Sending SOS from (9)\_\_\_\_\_ tiny box  
To the lonely people that the world forgot  
Are you out there?  
'Cause you're all I've got!  
Can I please come down?  
'Cause I'm tired of drifting round and round  
Can I (10)\_\_\_\_\_ come down?  
Can I please come down?  
Can I please come down?

Answer

1. through
2. from
3. like
4. here
5. come
6. hear
7. tonight
8. feeling
9. this
10. please
