

Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream (1)_____ night

That the (2)_____ stopped turning

But (3)_____ madness, it kept on

Guess I wasn't too bright

And I (4)_____ wasn't learning

Should have seen it all along

All those sweet (sweet), sweet kisses (yeah)

And those sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) (5)_____ (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd told me (6)_____ the start that you're playing

Around it would (7)_____ been fine

It would have been fine

Then I (8)_____ (9)_____ played too and I guess

I would have had a (10)_____ time...

If you'd told me from the start that you're playing

Around it would have been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me through it

Fill in the gaps

Why would you bring me so much pain

I would still love for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so nice on those (11)_____ nights

(On those lonely, lonely, lonely nights)

But I should have (12)_____ you out

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time

I would have had a good time

If you'd told me from the start that you're playing

Around it would have (13)_____ fine

It would (14)_____ been you baby

Then I (15)_____ have played too and I guess

I would have had a (16)_____ time

Oh (17)_____ mall of mine

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

(You are the one that I love)

Fine

(Your love was sent (18)_____ up above)

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

(So doggone fine)

If you'd told me from the start that you're playing

Around it would (19)_____ (20)_____ fine

If you told me

Then I would have played too and I guess

I would have had a good time

Feel good time, feel good time

Feel good time, feel (21)_____ time

If you'd told me (22)_____ the start that you're playing

Around it would (23)_____ been fine

Had a real good time, boy now

Then I would have played too and I guess

I would have had a good time

I guess I (24)_____ have had a good time

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine, boy

Then I would have played too and I guess

I would have had a good time

If you'd told me from the (25)_____ that you're playing
