Should have seen it all along

All (3)_____ sweet (sweet), sweet (4)_____ (yeah)

And those sweet (sweet) red roses (yeah)

They (5)_____ me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would (6)_____ had a good time...

If you'd told me (7)_____ the (8)_____ that you're playing

Around it would have been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me through it

Fill in the gaps

Why (9)_____ you bring me so much pain
