

First Love by Stryper

She waits alone, oh every night
Tears are in her eyes
She has lost all the (1)_____ she had
She lived her (2)_____ for Him each day
She threw it all away
To live for herself - live her life her way
There is no love like the love of your first love
It's so true
It's for you as you are
Tears in the night
Filled with pain
You're running from the love
That you had once before - your first love
Someone to hold you though the pain
To make you smile again
And to protect you forever
Someone to take your fears away
To help you through each day
To carry you when you just can't go on
