

Careful by Paramore

I settled down
A twisted up frown disguised as a smile, well
You would've never known
I had it all, but not what I wanted
'Cause hope for me
Was a place uncharted and overgrown
You'd (1)_____ your way in
I'd resist you just like this you can't tell me to feel
The truth never set me free so I did it myself
You can't be too careful anymore
When all that is (2)_____ for you
Won't come any closer
You've got to reach out a little more
More, more, more, more
Open (3)_____ eyes like I (4)_____ mine
It's only the real world
A life you (5)_____ never know
Shifting (6)_____ weight to throw off the pain
Well, you can ignore it, but only for so long
You look like I did

You've got to reach out a little more
More, more, more, more
The truth never set me free
