

## Fill in the gaps

When marimba rhythms start to play
Dance (1) me, make me sway
Like a lazy ocean hugs the shore
Hold me close, (2) me more
Like a flower (3) in the breeze
Bend with me, sway with ease
When we dance you have a way with me
Stay with me, sway (4) me
Other dancers may be on the floor
Dear, but my eyes will see only you
Only you have the magic technique
When we sway I go weak
I can hear the sounds of violins
Long before it begins
Long before it begins
Make me (5) as only you know how
Make me (5) as only you know how
Make me (5) as only you know how Sway me smooth, sway me now
Make me (5) as only you know how Sway me smooth, sway me now Other dancers may be on the floor
Make me (5) as only you know how  Sway me smooth, sway me now  Other dancers may be on the floor  Dear, but my eyes will see (6) you
Make me (5) as only you know how Sway me smooth, sway me now Other dancers may be on the floor Dear, but my eyes will see (6) you Only you have the magic technique
