

Fill in the gaps

White Flags (Live) by Dido

I know you think that I shouldn't still love you
Or tell you that
But if I didn't say it, well I'd still have felt it
Where's the (1)_____ in that?
I promise I'm not trying to make your life harder
Or return to where we were
But I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in (2)_____ and always will be
I know I left too much (3)_____ and
Destruction to come back again
And I caused nothing but trouble
I understand if you can't talk to me again
And if you live by the (4)_____ of "it's over"
Then I'm sure that that makes sense
But I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
And when we meet

Which I'm sure we will
All that was there
Will be there still
I'll let it pass
And hold my tongue
And you (5)_____ think
That I've moved on...
I will go down (6)_____ this ship
And I won't put my hands up and surrender
There will be no white flag (7)_____ my door
I'm in (8)_____ and always will be
I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
But I will go down with this ship
And I won't put my hands up and surrender
There will be no (9)_____ flag (10)_____ my
door
I'm in love (and always will be)

Answer

1. sense
2. love
