

## Fill in the gaps

### White Flags (Live) by Dido

I know you think that I shouldn't still love you

Or tell you that

But if I didn't say it, well I'd still have felt it

Where's the sense in that?

I (1)\_\_\_\_\_ I'm not (2)\_\_\_\_\_ to make  
your life harder

Or return to where we were

But I will go down with this ship

And I won't put my hands up and surrender

There (3)\_\_\_\_\_ be no white flag above my door

I'm in love and always will be

I know I left too much mess and

Destruction to come back again

And I caused nothing but trouble

I understand if you can't talk to me again

And if you live by the (4)\_\_\_\_\_ of "it's over"

Then I'm sure that that makes sense

But I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always (5)\_\_\_\_\_ be

And (6)\_\_\_\_\_ we meet

Which I'm sure we will

All that was there

Will be there still

I'll let it pass

And hold my tongue

And you will think

That I've moved on...

I will go down with this ship

And I won't put my hands up and surrender

There will be no (7)\_\_\_\_\_ flag above my door

I'm in love and always will be

I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and (8)\_\_\_\_\_ will be

But I will go (9)\_\_\_\_\_ with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love (and always (10)\_\_\_\_\_ be)
